

**March
2025
Vol. 3 No. 3**

From the Directors' Desk...

First off we have decided to not have an officers conference at this time. As there has been no new directives and or guidance sent from the Wing'd Rider organization. With that being said we do feel this is an important part of the PA District, and you can expect an officers conference either later this year or definitely or the spring of 2026.

OK, Hope everyone has marked the dates of July 18th and 19th for the PA State Ride In in Williamsport, PA. Carla is working on the flyer and registration form; it will be posted ASAP. This will also be sent to the Chapters to be copied and distributed amongst your members, and any potential members. We are excited to be having this in Williamsport PA as the River Riders Chapter has really stepped up to help planning and ensure we all have a great time. It will be a full two days of excellent riding, one training class each day, scavenger hunt, basket raffle, and 50/50. The River Riders are doing a quilt raffle for the selected charity which is a veterans group. A special Ice Cream Social this year will be held Friday evening along with a light show after, winner chosen by ballots.

Kerri and I want to wish Arline a Happy Birthday and sorry we missed the surprise party because Kerri was not feeling well, and I thought the trip would be a little much for her.

We have been working all month trying to wrap up some Ride In details and trying to get a zoom meeting put together on the website, hopefully this will come

State Director Message

Continued from Page 1

together soon. Kerri and I would like to express our condolences to Mike DeGeiso for the loss of his mother in February.

Part of our month was spent cruising the Caribbean with the Wingers and Waves with a very fun group from PA of good friends and WR members. We left Chambersburg in a blizzard. The trip to the airport was hindered by numerous truck and auto wrecks on 81 headed to the Harrisburg Airport. The flight we boarded decided we needed to be de-iced which took an hour and a half. Upon arriving in Atlanta we found out our connector to Ft. Lauderdale was delayed also. Man was it nice and warm in Ft. Lauderdale when we got off the plane! The next morning we headed to the cruise ship after some slight shuttle confusion. Then it was off to sunny skies, warm waters, great food and great excursions. At the end of the week we had to come back to reality, and Kerri came back to catching a bug. Special thanks to Audrey Wenger for helping with the arrangements. Had a great time!

As we are now having some 50 and 60 degree days I am sure some are getting the bug to get out and ride. Please remember to be careful of the antiskid used on the highways and the fact motorists for the most part have not been around motorcycles for months. BE SAFE!!

PA DISTRICT EDUCATORS

Reducing Risk while Riding in a City Environment

First step to city riding is: avoid it if possible. Yes, if you can go around the city, by all means do that! That being said, realistically we will be entering the city at times, either to reach our destination or perhaps you even live in a city environment. So look at a few of the things you can do to improve our chances in such an environment. The biggest difference with city riding is all the things going on at once that our brains have to process. Our

multitasking is increased tremendously. We have to pick out the important things that our senses are collecting and take appropriate actions to keep us as safe as possible.

A good way to help spot potential problems is to look further down the road. Back off the car in front of you and look around it. You're looking for things you may need deal with coming up as

far as you can see down the road with detail. Don't just stare in one spot, move your eyes around and understand what you are seeing. Spend extra time observing items you see as potential threats.

Now that you have spotted potential threats you will be prepared ahead of time and avoid most of them, perhaps preventing several from occurring at the same time even.

Get yourself away from potential problems or things that might cause a problem. Try to stay clear of large vehicles, not just buses and trucks, but SUV's as well. These vehicles not only have large blind spots, but also block everyone around from seeing you when you are close to them. Remember, intersections account for the majority of motorcycle collisions, and a large percentage of those are from a left turning vehicle. BE SEEN, make yourself stand out!

Remember, **ALL THE GEAR ALL THE TIME. (ATGATT)**

Most of all ride safe and have fun

Your PA District Educators

Gerry and Bonnie Kerkeslager

PA DISTRICT OUTSTANDING STARS

Time for our first ride of the season!

Hi All,

Time to be thinking of getting out for our first ride for the season. The weather is finally warming up each day. Winter sure threw us more than we expected for cold temperatures. Looking forward to springing the clocks ahead to daylight saving time just a week away.

Visiting Chapters is a great place to start for a ride. Share what your chapter is doing inviting them to your upcoming rides in the schedule.

Remember to get the picture for Ride for Fellowship!

Be on the lookout for your Chapters Outstanding Stars!

Look Twice as the Motorist is Not Looking for You!

PA DISTRICT RIDE FOR FELLOWSHIP

Ride For Fellowship is in full swing!

Hello PA District WR friends:

March is here and with it, the chilly March winds! Hopefully, the snow is about gone, and you can start getting the Bikes ready for the 2025 riding season. Several chapters have flyers out for upcoming events going on this year, so I hope you will take advantage of them. While you're at it, send me a photo with info to let me know what a great time you are all having. Whether it's on 2, 3, or 4 wheels, get out there and enjoy!

The 2025 Guidelines are posted on the District Web Site. Please read the points section carefully, as there are changes from last year. Hopefully, this will allow more opportunities for all our chapters to get in on the FUN. Remember, this is strictly for FUN & Fellowship!

The 2025 Ride for Fellowship is in full swing with several chapters participating! I've already had quite a few replies. Unfortunately, I still haven't received anything for a while. Maybe it's time to start going again, weather-permitting, of course. The latest updated Chart for 2024-2025 is on the Web Site. Please review it and let me know if you have any questions, concerns or comments. I encourage you to visit your friends, both old and new, and send your photos to: ride4fellowship@gmail.com along with your Chapter name, chapter you visited, and attendees. I will update and post the points chart and include all your photos in the 2025 slideshow.

Be safe in your travels, have Fun!

Bonnie & Gerry VanArt

PA District WR Ride for Fellowship Coordinators

PA CHAPTER NEWS

Endless Mountains Riders Events

Our Chapter would like to invite other chapters to join us for some of our winter/spring events.

In March we offer a chili party held at Dennis Smouse's house, and later in the month we will have our ice cream party at the Comfort Inn in Sayre. Need some Fellowship points? Then come join us! Let us know you are coming, so we can plan the appropriate amount of food!

And if you would like to join us in May for our Training Day - you can receive your CPR/AED certificate for just \$25. Gerry Kerkeslager will be there to offer some additional modules as well. We'll have lunch, and it will be a fun day to spend together - again at the Dennis Smouse residence.

Check us out at endlessmountainsriders.org.

Keystone Wings

The Keystone Wings and Cumberland Valley Riders got together early this month!

Endless Mountains Riders

The Endless Mountains Riders recently celebrated one of our member's 90th birthday with a surprise party. Arline Coffelt will turn 90 on March 22, but her chapter jumped the gun and surprised her at their annual Sop and Chili party on March 1. Most of the chapter members and many friends were in attendance. The biggest surprise was having her son and daughter in law, David and Sandy Coffelt, drive in from Maryland. Wing'd Rider Assistant Directors East, Tom and Renee Wasluck, were also in attendance from Connecticut.

For over 20 years, Arline has been a member of the Endless Mountains Riders (previously Pennsylvania Chapter R of the Gold Wing Road Riders Association). She held the positions of Chapter Director, Pins and Patches Coordinator, and in 2024 was awarded the chapter's Outstanding Star award at the Pennsylvania State Rally. She made the 1,000 mile trip with her chapter to the 1st Annual Wing'd Rider Rally in Litchfield, Illinois, and she has taken many vacation trips with the chapter to such places as Alexandria Bay and the Catskills.

Arline rides her shiny red 2004 Goldwing trike bought from Bob's Honda in Sayre, PA, the chapter's original sponsor.

We want to congratulate Arline on her momentous occasion of her 90th birthday and wish her many more great years on her Goldwing and with our chapter!

The attached form was just released from Wing'D Rider. Paper applications will now be accepted. Although the preferred method to become a member or renew your membership is on-line. Also, please take note that there is a 2 year option.

Wing'D Rider will be keeping the magazine mailing list separate from the WRider website mailing data ,,, and keep it updated each month, by hand if necessary, so that everyone gets their magazines in a timely manner and the mailing list is kept straight with expiration date code etc.
