From the Directors' Desk...

Well the April showers are continuing into May the way it looks, but there are plenty of good riding days coming. The discount rate deadline for the Ride In is fast approaching on the 17th of May.

Friday's Ice Cream Social will be held at Historic Bowman Field where your full registration will get you access to a Crosscutters Draft League Baseball Game and Ice Cream. The game is scheduled to start at 6:35, the park is not far from our host motel The Genetti and is the same location as Williamsport has their Hobo Stew. Tickets and Ice Cream are part of your registration and the Friday Day Pass. You can either eat before you go to the ballpark or I am told they have good food there. I hope everyone enjoys the new twist on the Ice Cream Social. Attire is **BASEBALL THEME**. You never know the Director might offer a prize for best attire.

Rest assured the Ride In is continuing as planned even with the recent WR announcement. The state organization is working diligently at this time to make plans for a path into the future, with the intent of keeping a state organization. After speaking to many Chapter Directors we understand the frustration with national organization ties. We are hoping to be able to present an alternative to the Chapters if they are interested as a group. At this writing I just don't have a lot more I can say on that matter.

There's not a lot to talk about this month other than the Ride In as the WR news has consumed a lot of my time. Carla has been working on a tentative and fluent schedule for the Ride In which I think she will have ready for this newsletter. Speaking of Carla I don't know how the state would function without her creativity and dedication to details. **THANK YOU**.

Don't forget:

- Keystone Wings **Spring Fest** on May 17th.
- Endless Mountain Riders **Gumball and Dice Run** on July 12th
- **District Ride In** on July 18 & 19th
- Warrior Riders **Shop with a Cop** on July 26th.
- Susquehanna Wings **Dice Run** on August 17th
- Cumberland Valley Riders **Fall Fest** on September 27th

Preventing Heat Exhaustion

Follow these tips to minimize your risk of developing heat exhaustion.

- If you are going to exercise in hot weather, it's important to acclimatize to the heat for about a week before beginning any intense exercise. This allows your body to gradually adapt to the heat.
- Hydrate well before and during exercise and replace lost electrolytes such as sodium potassium and magnesium with food or a sports drink

(drink 16 to 20 oz /hour).

- Avoid exercising during the hottest time of day train closer to sunrise or sunset.
- Wear light, loose clothing so sweat can evaporate. Better yet, invest in some clothes made with CoolMax, Drymax, Smartwool or polypropylene. These fibers have tiny channels that wick the moisture from your skin to the outer layer of the clothing where it can evaporate more easily. Use sunscreen to prevent sunburn, which can limit the skin's ability to cool itself.
- Wear a hat with a brim.
- If you feel your abilities start to diminish, stop activity and seek out a cool shade place. Remember, it is easier to prevent heat illness than to treat it once symptoms develop.
- Do not drink alcohol or beverages with caffeine before exercise because they increase the rate of dehydration.

Heat Exhaustion vs. Heat Stroke

If heat exhaustion is left untreated, it may lead to heat stroke. The key difference between heat stroke and heat exhaustion is the presence of confusion and other mental status changes during heat stroke. During heat stroke, the neurological system is affected and can cause odd behavior, delusions, hallucinations, and eventually seizures or a coma.

PA DISTRICT RIDE FOR FELLOWSHIP

It's Fun and Fellowship Time!

Hello PA District WR friends:

Welcome May! Mother's Day is coming soon, so celebrate your favorite Mother on that day! Several chapters have flyers out for upcoming events going on this Spring and Summer, so why not get a little ride in, and go visit some of your friends? While you're at it, snap a picture and send it to me. I'd love to see all of the FUN you're having! Also, send me some info to let me know who you are visiting. Whether it's on 2, 3, or 4

wheels, get out there and enjoy!

The 2025 Guidelines are posted on the District Web Site. Please read the points section carefully, as there are changes from last year. Hopefully, this will allow more opportunities for all our chapters to get in on the FUN. Remember, this is strictly for FUN & Fellowship!

The 2025 Ride for Fellowship is in full swing with several chapters participating! Your replies are slowly coming in. Maybe it's time to start visiting again, weather-permitting, of course. The latest updated Chart for 2024-2025 is on the Web Site. Please review it and let me know if you have any questions, concerns or comments. I encourage you to visit your friends, both old and new, and send your photos to: ride4fellowship@gmail.com along with your Chapter name, chapter you visited, and attendees. I will update and post the points chart and include all your photos in the 2025 slideshow.

Be safe in your travels, have Fun!

District Staff Members: We Need Your Help!

A team of district staff members have been working on updating the Pennsylvania Wing'd Riders website. We are aiming to make the site more attractive and inviting to those who do not know anything about our organization and would be interested in learning more in order to join with us.

WE NEED YOUR HELP!

We would like to offer photos and stories about the rides and fun our chapters are having. Mike DeGeiso, the webmaster, would like to offer folks an E-Book about Pennsylvania riding that would help website visitors give us their email addresses so we can connect with them and link them up with a local chapter.

Please send information about your chapter and your region to Eldon Mickel so we can make the website and the E-Book as exciting as possible!

Here are a few things we could use:

- Colorful pictures of your local rides and group gatherings
- Stories about why you enjoy being a part of your chapter
- Local restaurants you would recommend
- Rides/Routes you would recommend
- Dealerships you would recommend
- Destination places you would recommend
- Maintenance tips you would recommend
- Other Pennsylvania information important for motorcyclists
