From the Directors' Desk...

Where has the first half of the year gone? Geeze it's July already. Speaking of July what a month, busy, ,busy, busy and more busy. Please be aware of all the different Chapter activities that are going on this month, let's all try to support each other in our charity events, and rides. Speaking of rides, it looks like Mother Nature has finally blessed us with some riding weather even though she has turned up the thermostat to HOT, but we'll take it.

The State Ride In is shaping up nicely, hope to see everyone at Williamsport. The 18th and 19th will be two busy, but enjoyable days of riding, fun, socializing, training, food, and Ice Cream. The registration for this event has pleasantly surprised Kerri and I, with the changes in WR and JMC we were not sure what to expect. Pennsylvania has once again shown their resilience and ability to adapt and I am proud of the members. While doing your registrations please don't forget Williamsport's Charity, the Veterans group, we will have a donation jar at the table. This year I have decided to match what we get in the donation collection.

That's pretty much it for this month, Kerri and I are doing this on the 4th at 5:00 am before we head out to watch the Macy's Fireworks tonight on the water in New York. Hope all have a joyous, happy and safe July 4th. P.S. tomorrow is Kerri and I's 51st anniversary, SYMPATHY cards will be accepted at the Ride In.

Road Trips

With summer upon us we are going to be hitting the road for our annual summer adventures. It's expected that this year will be a banner year for road travel. I thought this would be a good time to refresh ourselves on defensive driving. Here are a few tips to help keep us safe.

Stay focused. It's easy to start day dreaming on a long boring road and it can be a challenge to pay attention to the road. Please stay focused.

Keep your eyes moving. Know your surroundings and watch for clues of possible danger. Hazards can come from anywhere. Know where the vehicles are around you. Scan for possible hazards down the road. Play the "What if game" to prepare yourself to avoid a hazard.

Be mentally ready. Don't get on the road if you're tired or upset. Please don't mix alcohol or drugs with riding.

Go with the flow. Try to maintain the same speed as the traffic and it's always a good idea to stay on the right unless you are going to pass.

Remember your 2-second rule. Try to maintain at least a 2 second space from the vehicle in front of you. More if road conditions are less than favorable.

Make yourself visible. Wearing bright colors, lane position, and using your signals can go a long way in to making your presence know to other drivers.

Resist road rage! It's easy to get caught up in a confrontation but avoid the temptation. Deaths have occurred from someone losing their temper. Take a deep breath and let it go.

Adapt to road conditions. This is summer. Weather and road construction can make the roads less than ideal for traction.

Remember,

ALL THE GEAR ALL THE TIME. (ATGATT);

Most of all ride safe and have fun,

Your PA District Educators,

Gerry and Bonnie Kerkeslager

PA DISTRICT OUTSTANDING STARS

Gearing up for the District Ride In

Hi All,

The District Ride In just a few weeks away! District events are always a reunion with our Gold Wing Family. A time to catch up where we have been and invite them to join you on an upcoming event or ride.

Yes, we have found Outstanding Star's! Looking forward to seeing their Surprise at the Ride In!

See everyone in Williamsport!

Barry & Rhonda
District Outstanding Star's
Coordinators

PA DISTRICT RIDE FOR FELLOWSHIP

See You in Williamsport!

Hello PA District WR friends:

Gerry & I have been enjoying the summer by traveling west to South Dakota. We've visited Mitchell, Wall Drug, and the Badlands before arriving in Rapid City. Instead of going to the National Rally, we kept our reservations for our summer trip and are enjoying the places we very much wanted to see. Although it doesn't give our Chapter points, I still plan to share some of our photos with you. They will be included in the

slideshow presented at the PA Ride-in. I'd love to see all of the FUN you're having, too! Also, send me some info to let me know who you are visiting. Whether it's on 2, 3, or 4 wheels, get out there and enjoy!

If you are planning any vacations this year, why not snap a couple of pictures and send them to me. Whether or not it involves points, I would love to share them with everyone at the July Ride-in!

The 2025 Guidelines are posted on the District Web Site. Please read the points section carefully, as there are changes from last year. Hopefully, this will allow more opportunities for all our chapters to get in on the FUN. Remember, this is strictly for FUN & Fellowship!

The 2025 Ride for Fellowship is in full swing with several chapters participating! Your replies are slowly coming in. Maybe it's time to start visiting again, weather-permitting, of course. The latest updated Chart for 2024-2025 is on the Web Site. Please review it and let me know if you have any questions, concerns or comments. I encourage you to visit your friends, both old and new, and send your photos to: ride4fellowship@gmail.com along with your Chapter name, chapter you visited, and attendees. I will update and post the points chart and include all your photos in the 2025 slideshow.

Be safe in your travels, have Fun!

District Staff Members: We Need Your Help!

A team of district staff members have been working on updating the Pennsylvania Wing'd Riders website. We are aiming to make the site more attractive and inviting to those who do not know anything about our organization and would be interested in learning more in order to join with us.

WE NEED YOUR HELP!

We would like to offer photos and stories about the rides and fun our chapters are having. Mike DeGeiso, the webmaster, would like to offer folks an E-Book about Pennsylvania riding that would help website visitors give us their email addresses so we can connect with them and link them up with a local chapter.

Please send information about your chapter and your region to Eldon Mickel so we can make the website and the E-Book as exciting as possible!

Here are a few things we could use:

- Colorful pictures of your local rides and group gatherings
- Stories about why you enjoy being a part of your chapter
- Local restaurants you would recommend
- Rides/Routes you would recommend
- Dealerships you would recommend
- Destination places you would recommend
- Maintenance tips you would recommend
- Other Pennsylvania information important for motorcyclists
