

Hello PA District friends,

Thank you to all the chapters participating in the 2025 “Ride For Fellowship” program. I hope you are having FUN visiting the different Chapters and taking part in the Events they present. Also, thank you to all the Chapters hosting Events and welcoming other chapters to your Gatherings and Events. Remember, the goal of this endeavor is to encourage more Chapters to visit their neighbors, pick up new ideas for your Chapter, develop lasting relationships with new friends, and most of all...to ride your Bikes and have FUN.

Since our District Rally in July, 8 chapters along with our unaffiliated PA District Members have participated in this year’s program. Keep visiting old friends and making new ones at the Gatherings and Events and send me your info. I enjoy receiving the photos you sent to me. They are all in a Slideshow that will be shown at the 2026 District Weekend.

This is just a FUN thing, so remember there are very few rules. Mainly, you visit, or ride with another PA chapter (or unaffiliated member), send me your information (what, where, when and who) along with a picture of all the FUN you are having! Even if just two of you are there, send me your information. It all counts!

Upon reviewing the new Guidelines for 2025-26, you will notice they have changed quite a bit from last year. This will involve receiving more points depending on what events you attend. Remember, any chapter wishing to receive points **must** send me a photo with info. Two Chapters might have participated in a joint ride, but if only one sends information, only one gets a point. Photos in the Slideshow will show everyone who participates.

The points chart is being updated periodically and will be posted on the PA District website soon. Until then you can contact me to check in and see where you stand. Note: If there is any discrepancy regarding points, please contact me. (Remember, we’re all human and make mistakes!)

Please contact me if you have questions or comments. I can be reached:
