

SAFE RIDER REFRESHER CLASS

**June 6, 2026
8:00 a.m.**

**Antrim Brethren
in Christ Church**
24 Kauffman Rd, E.
Chambersburg, PA

After a long winter break, it's time to get back on those 2 wheels, 3 wheels, sidecars, Can-Am's, etc. But first let's refresh our riding skills. This also goes for the co-riders. There is no cost for the class, all bikes are welcome, and there are no maximum number of bikes for the class since it will be conducted like a PLP class. Bring water and snacks with you. Restrooms will be available. We will go for lunch somewhere after the class.
