Ride Safely for Fellowship & Fun

From the President's Desk...

Good Morning Friends and Family,

It's good to see the sunshine on a weekend for a change, must mean it's time to ride. Hope everyone is getting some much needed riding, as for Kerri and I, Mr. Bonehead had to fall this week and mess up his throttle hand so our first nice weekend is down the drain. Good news is, just my hand and arm and pride got severely bruised, so we'll be at it soon. We did manage to squeeze in two Memorial Day Parades and a Fire Company Parade before my stupidity set in. My signing membership cards has come to a halt temporality and will get what I have done to the directors. Others will have to wait a week or two until I can hold a pen.

This will be my last Newsletter pitch for the PA Road Riders Ride In for Roxbury July 17th & 18th. Deadline to register is 6/30/2026 so if you're planning on attending let's get it done. Just a reminder if you're planning on the Gettysburg bus tour you must have a full registration. The bus is very limited on spots. I have spoken with Gerry Kerkeslager about Friday afternoon, he is going to hold a one hour training session for those interested, not sure on the topic. Saturday's Gettysburg event is going to be an all day affair leaving the camp at 8:00 a.m. will meet in Gettysburg at 9:00 a.m. to board the bus. Lunch is not included but will be available for \$10.00 extra. Further information is available on the flyer or by contacting Myron Wenger at 717-816-1469. We are looking forward to a great time as always at Roxbury, as most can remember from the All Chapters events held there in the past.

Chapters are reminded to bring a basket for the basket raffle.

Reminder to Chapter Directors about the Directors meeting Friday afternoon before Ice Cream, this will count as our annual meeting, as per our by-laws. This meeting is open to State Officers and Chapter Directors only. As a Chapter Director if you are not attending we will need to know if your assistant is representing your chapter for the meeting.

Kerri & I got to ride to Lancaster for Spring Fest, we would like to congratulate Keystone Wings on having a very nice event. Enjoyed seeing some old friends and making some new ones.

We are looking at having a PA Road Riders t-shirt available for sale at the Ride In.

Group Riding

Spring has sprung and we are out riding again and that means we will be riding in groups again. Here are some reminders about group riding for both the Ride Captains in lead and drag ends and the participants in between. When riding together as a group we become a team, we must work together and having some agreed methods. Riding safely is all about risk management, riding together well reduces risk.

The pre-ride meeting is crucial. Invite people to see you after the meeting with any questions, concerns, things you should know (health issues, etc.), and allow a few minutes after the meeting for people to approach you.

Hand outs of the route are very helpful. Always review the primary hand signals: Stagger, single file, and road hazard. If your riding path could possibly break the group up and you want to use the bread crumb method for people to find their way back to the group, address it at the meeting. Everyone follow the leader, if you think the leader made a wrong turn, follow them anyway.

Group size: 5-7 total bikes is recommended. Place people with no communication in the group strategically. If you don't have communication (CB) let the leader know. Keep the CB chatter down! This reduces risk by allowing the leader and tail gunner to speak when they need to. Your ride leader has a larger work load, respect this and keep the chatter down. Unless requested, don't tell the leader how to lead the ride. Ride leaders address the chatter if your group needs a reminder.

Parking is best done if the bikes stay in line and use the same parking process, it is important to get all the bikes off the road so plan accordingly. If you are leaving before the end of the ride, let the leader know before departing and position yourself at the rear, separate from the group before your exit.

Remember,

ALL THE GEAR ALL THE TIME. (ATGATT);

Most of all ride safe and have fun,

Your PA District Educators, Gerry and Bonnie Kerkeslager

Welcome Summer!!!!

Greetings PA District Friends!

Welcome SUMMER!!! Gerry and I just got back from a vacation arriving in Pensacola, FL after a few stops along the way. We attended my nephew's wedding while we were there. Then we meandered back, stopping near Meadows of Dan, VA to attend a BRL (Blue Ridge Leisure's) Rally at The Oakes RV Resort. Our RV Rally reminds me of the Bike Rallies we attend every year. We get new ideas from other RV

owners on RV Maintenance, new gadgets for the interior and exteriors of our rides, and of course, making new friends and seeing old ones.

When we got back home, Gerry went for a scheduled surgery on his Shoulder. It's been a week now since the surgery, and he's "climbing the walls" from boredom! He's coping much better with the pain, so he's getting a little more mobile, but still won't be able to use his right hand for at least a few weeks.

I hope you are getting out and enjoying the warmer weather we are having! Ice cream rides, dinner rides, gatherings, and chapter events are all out there for your enjoyment.

If your Chapter is planning an event for this year, don't forget to submit a flyer to Carla to put on the PA Road Riders Web Site. Also, check out the District Web Site occasionally to find out what else is going on. There may be an Event listed there that you might be interested in, and don't forget to check out the web site for the PA Road Riders Ride-in coming up at Roxbury Camp! While you're at it, why not think about joining your friends at a Gathering or impromptu ride! I'd love to put your pictures in the slide show! I'm keeping track of points, so keep sending your information.

I'm enjoying your photos. Keep up the good work, get out there and visit, make new friends, and SEND ME YOUR INFO (Ride, Rally, Gathering or Event Date, Participants in your photo, where you went, who you visited & PHOTOS!)

All pictures that I receive will be in the 2026 slideshow, regardless of whether the visit received a point. We want to see the fun you've been having! The Guidelines for this program are on the Website (<https://paroadriders.org/>) along with the introductory letter. If you check the "Programs" tab on the website you'll also find an updated Points Chart.

You can contact me at ride4fellowship@gmail.com , or call me at 570-764-1280 with any questions you might have.

Enjoy the month of June and all it has to offer!

PA DISTRICT OUTSTANDING STARS

Looking forward to summer events!

Hi Everyone,

I must say it's riding season! The weather has been Great! I was out Saturday and where did I go Gettysburg Battlefield! I enjoy blending in as a tourist as Visitors say where is that guy from? So, Yes, a Bus Tour of the Gettysburg Battlefield is part of the Ride In! All the information is on the registration form. There will be other rides as well to be self guided. Mr Ed's Elephant Museum is a great stop not far from the Rox-

bury as well to enjoy.

We are excited to be doing the Outstanding Star's for the fourth year! A time to Surprise that Special Star or Star's from your Chapter. The write ups have been coming in Thank You! I appreciate you taking the time to support this program! A time to recognize that Star that goes above not only with your Chapter but what else they are involved with.

A Special Year as well with the 250th Anniversary of the USA! All 67 Counties have a Bell to visit. This is on the website America 250 PA Bells Across PA. You can see where they are and viewing. Might make a great ride to see how many your Chapter can see this year! A few counties have more than one so the total is more than 120 Bells!

See you at the Ride In July 17, 18 & 19!

Cumberland's May Activities

River Valley Riders held their 38th Annual Hobo Stew on Sunday, May 3 at Memorial Park in Williamsport. It was a cold and windy ride, but not as cold as it was for some of the other chapters that attended, and NO RAIN! It was great seeing all our friends, socializing and having a great time. The ride through the countryside was beautiful. In attendance from CVR were George, John L., and Glenda.

The first Thursday of the month is designated as CVR's 1st Thursday Breakfast. This month we met on Thursday, May 7 at Buddy's Log Cabin in Pine Grove. The breakfasts are opened to men and women and feel free to come on 2, 3, or 4-wheels. Those participating this month were George, Tom, Bob, Gene and Charlie.

On Tuesday, May 12, nine of us met at JoJo's Pizza in Upper Allen. Enjoying good food, good fellowship, good conversation was Tom & Cheryl, Charlie & Joyce, John C., Wilda & Aspen (hidden), John L. & Glenda.

On Saturday, May 16, John C., Wilda, Tom, Cheryl, John L. and Glenda attended Keystone Wings 34th Annual Spring Fest at Lancaster County Central Park. It was a beautiful day to ride and we had a wonderful time. Their guided ride this year took us through seven covered bridges.

Cumberland's May Activities

Ladies Day Out: It was a rainy but a good time for the ladies to meet for their monthly day out. There were ladies from Cumberland Valley Riders, Mason-Dixon Road Riders and PA Warriors for this month's adventure. Upon arriving in Bedford, we all met at Hoke-E-Geez's which is an indoor flea market which offered a wide variety of new and used products. Quite an interesting place.

We had lunch at Jean Bonnet Tavern in Bedford. The food was outstanding! As well as our waiter. In attendance were Deb, Kathy, Linda, Christy, Audrey, Judy, Amy, Glenda, Donna, Sue and Doris.

Our next stop was Bedford Candy company. It was amazing if you did not come out of the candy shop on a sugar high!!! The last stop in Bedford was Bits of Time. Of course, we could not end the day without stopping at The Cone Zone in McConnellsburg.

On Thursday, May 28th, John and Glenda met with 9 members of Keystone Wings at The Barn in Gettysburg for lunch. Besides spending lunch with friends, it was a beautiful day to ride and the food was outstanding. From Keystone Wings were Curtis Leonard, Don Engle, Jeannie & John Parker, another John and his wife, Doris, Kathy & Johnny Bell.

Thursday afternoon on May 28th six members of CVR played miniature golf at Liberty Forge Creekside in Mechanicsburg. It was a beautiful day to ride and to play miniature golf. Participating was Tom & Cheryl, George, Sandy K, John L, & Glenda. After playing golf, we grabbed lunch at the Creekside Grill.

Endless Mountains Riders' Training Day

May was Motorcycle Awareness Month so the Endless Mountains Riders (EMR), a Sayre Chapter of the PA Road Riders organization, use their May monthly Gathering for a Training Day. We meet at a private residence for this Gathering so we have the entire day to spend on all the presentations. We bring in certified instructors for all the training. Last year's Training Day offered a CPR/First Aid certification training. This year we invited Gerry & Bonnie Kerkslager, PA Road Riders District Educators, to do the training.

We started off in the morning with a seminar on 'Riding with New, Inexperienced Riders'. The module taught us where the new, inexperienced rider should be placed in the formation (right behind the lead bike), how we should use encouragement often, and if any criticism is needed, to do it privately. There were a lot of questions and discussion on every aspect of this module.

After a break for a dish to pass lunch, we headed downtown for a Parking Lot Practice. A huge shout out of thanks to Jeff Homer, owner of the Towanda United Methodist Church, for the use of the parking lot. Finding a parking lot large enough, 70x100, that is not full of potholes is a lot tougher than you might think! Jeff was very gracious and helpful in allowing us full use of his lot.

The Parking Lot Practice consists of 10 exercises that are low speed training. What we learned is we cannot handle our bike as well as we thought we could, and we need to continue to add to our skills. Most of the exercises consisted of left or right hand turns. There was also a quick stop exercise along with stopping in a corner, with instruction to straighten your handlebars first.

It was a very fulfilling day of training, adding to our safety toolbox. Again, huge shoutouts of appreciation go to our instructors, Gerry & Bonnie Kerkslager and Jeff Homer for use of the parking lot. And many thanks go to our dedicated chapter members who show up to learn new techniques to make our rides safer.

Endless Mountains Riders' Annual Challenge

Our Chapter is having a great time with our History Challenge this year! The challenge is to ride your bike to any history marker and get your photo taken. You must be riding on your bike to have the photo qualify for points! At our Christmas Party we will tally up the points and see who has hit the most markers! We should be pretty educated by then, don't

you think? Maybe I should be requiring them to write an essay on what they have learned at each of them!!

From the Editor...

Your state communications coordinator has a request for all of you fun loving riders. We are working hard to make this new organization accessible to all riders. In order to do this I need each of the chapters and the independent members to send me information on all the fun you are having on your bikes or with your groups.

If I am able to post fabulous pictures and write ups of your excursions in the monthly newsletter and on the new website, then people will take up and notice! They will say, "Wow, the PA Road Riders seem to have a lot of fun, and I think I would like to join in!"

So, to get more people attending your various events, and to attract brand new people to PA Road Riders, would you please send me photos, stories, memories, thoughts, ideas, etc. Especially send me your events and flyers, so I can fill up the calendar! You can email me, text me, or use old fashioned snail mail. Just let me know what you and your group are doing!

These are **your** publications - so please let me know anything you want to see

in them and send in both your comments or criticisms.

I will be working on the website's membership portal as soon as chapters and individuals start registering their members. We will give you access to member's information all across the state (as long as each member has approved this access). The public will not have access to this information.

I am looking forward to working with each and every one of you to make this new organization vibrant and active!
